You further authorize Syria E Mall and its designated payment partners to charge the full amount of your purchase, including applicable taxes, fees, and shipping charges, to the payment method provided.

All payments made through Syria E Mall are processed securely via trusted third-party payment service providers. Syria E Mall does not store, process, or have direct access to your full payment card details. Payment information is handled in accordance with industry-standard security practices and the privacy policies of our payment partners. While we take reasonable measures to ensure secure transactions, Syria E Mall shall not be held responsible for any issues arising directly from the payment service providers.

In the event that a payment is declined, reversed, or fails for any reason, Syria E Mall reserves the right to cancel or suspend the related order or account until payment is successfully completed. Any unauthorized, fraudulent, or suspicious transactions may be investigated and reported to relevant authorities where required by law.
